

## “Green Box Exchange”

The military families we serve PCS to and from Fort Gregg-Adams. In an effort to make that transition smoother, Fort Gregg-Adams Family Housing offers a new program called the "Green Box Exchange".

We encourage our incoming families to bring their unwanted cardboard boxes to the Community Welcome Center after moving and unpacking.

We have a designated box exchange where we hold them located at the Fort Gregg-Adams Family Housing Community Center (1510 Sisisky Blvd), Monday-Friday, 8:00 am – 5:00 pm.

When our outgoing families need to PCS we will offer free boxes from the Green Box Exchange room. The boxes will be available on a first come first serve basis.

Not only is it free and convenient, we reduce & reuse! The Green Box Exchange is supported from the incoming and out going families and helps our community to achieve going green efforts.
