HAPPY MEMORIAL DAY!

Our President's Message

This Mother's Day will most certainly be unlike any before it. As the world, and our conditions, continue to change – one thing remains the same - the value we place on the mothers whose sacrifices, commitment, and unconditional love enables

families across the U.S. to thrive. On behalf of all of us at Hunt Military Communities, I'd like to give special recognition to those mothers who are deployed, on active duty, have children deployed, or are running military family households. Each of you are exceptional. For your families, you are the thread that ties it all together, and for the nation you are both the heart and the backbone. We are all grateful. Please join me in wishing every military mom out there a very special Mother's Day.

Best,

Let's Stick Together

"When things do not go your way, remember that every challenge, every adversity, contains within it the seeds of opportunity and growth. Challenge and adversity are meant to help you know who you are. Storms hit your weakness, but unlock your true strength." ~Credit to Goodreads.

Our Fort Lee Family Housing community has taken these changes and expectations in stride, and in so many situations shown the most beautiful side of being neighborly. On any given day in a military community, neighbors support neighbors during deployments, TDY's, and times when the call to duty changes a family's norm. Some examples are the families that live on post coordinated an Easter Parade as well as celebrating the children's birthdays by having caravans ride by the child's home honking their horns to wish the child a HAPPY BIRTHDAY.

April Recap

It is so hard to believe that the month of April was spent wrapping our minds around the impact of Coronavirus, and the impact of COVID-19 on not only our world, but our state, our community, and our families. The challenges we face and our new short term (we hope) social norms are unprecedented in many of our lifetimes. Social distancing, food item rationing, schools closed for the season, no dining in restaurants, and restricting take out has given us a new way of life for the moment. As such, we move into May, recognizing some amazing moments existed.
