FORT LEE INSIGHTS **NEWS & STORIES**

Time for Fun in the Sun!

Our President's Message

As we all prepare for back-to-school, we want to help support you and your children in whatever form their educational experience takes this year. In 2019, on average, families spent close to \$700 per student for school supplies. In addition, many schools also asked parents to contribute up to \$100 per family for general

use classroom materials. When combined with other childcare costs, many military families face difficult choices about whether to ensure their children are well supplied for school or whether to purchase other essential items for their family, including clothing and food. This year, the Hunt Heroes Foundation, in partnership with Operation Homefront, will distribute 1,850 backpacks filled with much-needed school supplies to military families at each of our communities. We are proud to be partnering with this well-respected national non-profit who last year, provided backpacks to over 43,000 military children across the U.S. Watch for more information in the coming days about this effort and how you can apply to receive school supplies for your child. As we move ahead together and navigate these uncertain times, we remain committed to serving you and your families.

Best,

National Night Out

National Night Out is typically celebrated on the First Tuesday of August.

National Night Out is an opportunity to enhance the relationship between neighbors and law enforcement, while bringing back a true sense of community. It provides a great platform to bring police and neighbors together under positive circumstances.

This annual campaign promotes a positive partnership between the police community and the neighborhood community to make our neighborhoods a safer and more caring place to live.

Millions of neighbors take part in National Night Out across thousands of communities from all fifty states, U.S. territories, and military bases worldwide.

In years past, Fort Lee Family Housing has partnered with the Fort Lee PMOs to celebrate National Night Out at the Welcome Center by serving hamburgers, hot dogs, and all the fixings.

Unfortunately, due to the recent COVID-19 pandemic, we will not be able to host this event in August.

We are going to try to reschedule for October 6, 2020, which is the alternate date for National Night Out.
