NEWS & STORIES

HAPPY HOLIDAYS!

Our President's Message

In just a few short weeks, we'll be celebrating the beginning of a new year. I think many of us are breathing a sigh of relief to welcome in 2021. During this holiday season and throughout the year, we appreciate the service and sacrifice you and your families make. With deployments or

long training missions, our Service Members miss out on many special occasions during the holiday season. Our communities are doing special service projects this holiday season to show our gratitude for our military families and all you do day-in and day-out. Donation drop-off stations have been established at 26 HMC communities across the nation to collect presents and toys for children in need as part of the U.S. Marine Corps Reserve Toys for Tots program. We are also encouraging employees and residents to participate in Wreaths Across America to support their wreath-laying efforts at military cemeteries across the country. On behalf of everyone here at Hunt Military Communities, I want to take this time to wish you all a very safe and happy Holiday Season and a healthy and happy 2021.

Best,

John Ehle
President
Hunt Military Communities

Resident Referral

The best way to choose your neighbor is to refer a battle buddy that will be stationed at Fort Lee.

In the month of December, 2020 for every service member you refer and they move into Fort Lee Family Housing (they don't have to move in December) they receive \$100 and you receive \$100.

What a way to pay off some Holiday debt!

Be On The Look Out!

Our CEL Survey will be launched in December, 2020. This Army survey, conducted by CEL & Associates, Inc. is an effort for the service members and their family to tell us how well we are doing in meeting their on-post housing needs. The information provided will guide us in providing the service and facilities that are important to our families. This is an opportunity for the service members to include comments and to request to be contacted to discuss their concerns. Please take the time to complete your survey and let your voice be heard.
