**FORT LEE**  
A HUNT MILITARY COMMUNITY™

ONE MISSION. ONE COMMUNITY.

## Yard Sales for September

For the month of September, there will be two days of designated yard sales.

September 1st & September 15th

For more information of the locations please visit our Facebook page or contact your Neighborhood Center.

## School is Here!

We'd like to say 'Good Luck' to all the students starting school after Labor Day weekend. Also, a very special congratulations to those who are starting for the first time. Implement school day routines EARLY - start rolling back that bed time and wake time. First day's are always fun and a new year means a clean slate. Ask your child's teachers the best way to contact them. Note? Email? Voicemail? Find out which websites and apps are used in the classroom and which are preferred for homework help.

## Pet Appreciation Month

We LOVE & support our community pets! To show just how much, we are celebrating with a series of events throughout the month of September. Our little friends will have their own personal photo shoots and even enjoy a Happy Hour, or in pet talk we like to call it 'Yappy Hour'. Special gifts and treats will be given to all. Plus, we'll also be hosting a Pet Parade in which our little buddy's can show off their finesse in style. We look forward to seeing you all and our how wonderful our pet community is!

### 9/29 National Coffee Day

Here's that special day for all of our coffee lovers. Stop by your neighborhood center for a fresh cup of coffee and let's all celebrate Coffee Day.

### 9/30 National Chewing Gum Day

Did you know that chewing gum dates back to about 5000 years old?! Really really fascinating based on research that archaeology students have found. If you have a moment or are a chewing gum fan, please enjoy your bite on this national day.

## Moving Time in September!

Summertime - and moving's never easy. September is the last of the warm weather, the beginning of the school year and MOVING VANS! Let's show our new neighbors our great sense of community and welcome new families. There's nothing like a smile and freshly baked cookies, or a pitcher of iced tea, a pot of coffee or a chilled adult beverage to make a new family feel at home. Ensure new neighbors are included in block parties or potluck meals. Introduce kids to others their age. It's much nicer to have someone to hang out with during the summer.

## Grill Cleaning & Maintenance Tips

There's a lot of grilling weather ahead of us. Here are a few tips:

- Clean flame tamers using a wire brush to remove debris
- Brush grates routinely with a dry wire grill brush with the burners turned off.

For charcoal grills, sprinkle water on grill brush to steam clean the hot grate.

- Inspect fuel lines on gas grills. Brush soapy water along connections. If

bubbles form when gas is turned on, tighten connections or replace lines.

- Clean lids with dishwashing liquid and water. Dry with paper towels.

- Keep kids and pets away from grills. Adult supervision required!

- Store LP tanks upright in a secure area, not in vehicles.

- Ensure lid is OPEN when lighting a gas grill.

## Safety Reminders

Summer's almost over! Here are a few maintenance and safety reminders:

Give your air conditioner a test run to ensure it's operating properly. Please initiate a maintenance request if needed.

Let Mother Nature cool your home - open windows on cool mornings and evenings, close windows and shades during the heat of the day.

Ensure grills are attended by an adult when in use. Keep grills away from homes, fences, other structures, overhangs and trees. Have a hose or fire extinguisher within reach.
