WARMER WEATHER IS HERE!

ST. PATRICK'S DAY IS COMING!

SPRING IS ON THE WAY!

Spring starts on March 20, 2019. Isn't it amazing that only a few short weeks ago we were cold in the snowy winter weather? Now the warm evenings of the spring have started to descend upon us. Soon we will be hearing the rustling of the leaves in the warm evening breeze. Synonymous with this change of the season are the holidays that are quickly approaching. As things start to warm up, we are looking forward to the outdoors and the fun events we have in store for our Residents of Fort Lee Family Housing. Happy Spring everyone.

You may not need help finding the big spots on post like the installation's fitness centers or Army Community Service, but do you know about the dog park near where your dog can run unfettered and make new friends?

The [Fort Lee Dog Park](#) is an off-leash area for dogs within the Fort Lee community. The park is open sunrise to sunset and is located on Battle Drive behind the DMV location. A new self-service [Barks and Bubbles Pet Wash](#) is located next to the park.

If you've stayed at Fort Lee Lodging, you may know about the [Sustainer's Pub](#). Nested within the Lodge, it features flat screen televisions, drink specials, weekly trivia nights and much more. The pub is open to the entire Fort Lee community. Hours of operations vary based on schedule activities.

The [Auto Crafts Center](#) located on Battle Drive behind the dog park is equipped with vehicle lifts, bay space and tools and the facility allows patrons to perform minor vehicle repairs. The self-help facility has a trained instructor on duty to provide automobile repair assistance. Patrons may use tools to assist with repairs while on the premises. Short- and long-term storage is available.

Fort Lee's newest family entertainment facility is the [Ten Strike Bowling Center](#). It's by far the best bowling center in the area with 30 lanes, adult and free youth league play, an arcade area and the [Action City Grille](#) featuring a variety of food and drink options.
