Family Photos

"Who doesn't love a great family photo for a lasting memory?" FLFH is hosting a Bunny photo shoot on April 13th from 9:00am to 1:00pm at the Welcome Center on Sisisky Blvd.

Each family will leave with a photo in hand.

Days of April

April 2 Peanut Butter & Jelly Day

Wow, one of the best tasting lunches in America has it's own day. Please be sure to pack a PB & J sandwich for lunch today and enjoy.

April 11 Pet Day

Our little furry & cuddly friends have their own national day. Show you dog or cat some extra attention today, being that it's their special day.

April 15 Tax Day

Today is it...TAX DAY. After trying a few different dates since 1862, this day was finally changed & approved in 1955. Yet on some years it falls on the 17th, ex. 2012. Please make sure you've done your taxes.

APRIL 21 Easter

Happy Easter everyone and enjoy the holiday!

Month of the Military Child

The Fort Lee Child & Youth Program will host the 2019 'Month of the Military Child Kick Off Parade' and 'Spring Fling 2019'. In the mid 1980's, the Pentagon & military support organizations started to use the month of April to recognize our military children. The color purple represents all military services, and the theme 'Purple Up' is used this month to show the inspirational strength our military children have for their sacrifice. Feel free to stop by these two events to celebrate our community's youth and fun.

Community Yard Sale

Community Yard sale will be April 6, 2019 from 8:00am to 12:00pm at the Welcome Center. Please sign up at your neighborhood center or online via Facebook. The deadline to sign up is close of business on April 4, 2019.

We'll also be conducting Yard Sales on April 13th & 27th. Sign up for these at your neighborhood center or online at our Facebook page. We look forward to seeing everyone here and good luck shopping!

HIDDEN GEMS OF FORT LEE

It's a dreaded fact of the permanent change of station move, you've learned the ins and outs of your losing installation and you're looking like a deer caught in the headlights at your gaining installation. Where do I go for the best grilled chicken sandwich, who has the shortest lines for lunch and what's there to do for fun around here?

In addition to gaining insight from the Fort Lee Installation Guide and Telephone Directory about what Family, Morale, Welfare and Recreations have to offer at this historically rich post, view Ft. Lee MWR activities on the web as well!

April Rain & Spring Storms Cont.

REPORTING FLOODING

- If you experience an appliance or plumbing overflow (shower, bathtub, toilet, lavatory, sink, washing machine, dehumidifier, dishwasher, hot water heater, air conditioner, refrigerator, etc.) take steps to stop the flooding and immediately notify the Maintenance Department. Even if you consider the overflow minor, notify the maintenance team so they can inspect the area to ensure moisture is not trapped in the flooring or walls.
- Completely dry out or dispose of any materials affected by the flooding to include rugs, furniture, toys, etc.

REPORTING SIGNS OF WATER DAMAGE OR LEAKS IMMEDIATELY

- If you notice signs of water leaking from roofs, windows, doors, outside walls, plumbing lines, fixtures, dryer vents or the foundation of your home, immediately notify the Maintenance Department.
 - Report overflowing air conditioning drip pans or condensation lines.
 - Report signs of water leaking into walls from bad grouting or caulking around showers, tubs or sinks.
- on where to get filters for your home.

Spring is Here!

Tis' the season for garden work!

Time to explore the great outdoors

Earth Day 2019

Earth Day was founded in 1970 by senator Gaylord Nelson. The concept had risen a year prior and individuals around the globe were adopting it quickly. Once numerous campaigns and activities started to happen, there was no holding back...and saving the globe became priority. As time moves forward, everyone across the globe continues to practice this movement of appreciation for the Earth. Happy Earth Day!
