Employee Spotlight

I've always loved helping others in any way that I can. I am very privileged to work for Hunt Military Communities and take care of our service members and their families. Our families have sacrificed a lot for the freedom we have in our country. I realized the least I can do to show my appreciation to each family, is take care of the needs and concerns they have while living in one of our homes with the best 5 star service I can provide. So I thank each one family for allowing me to help and share the gifts I was given to address any concerns they have, each time they allow me to enter their home.

Tips

- Always turn on exhaust fans in the bathroom and kitchen before you start showering or cooking and keep the fan running for several minutes after you finish.
- Regularly run the ceiling fans in your home to keep air circulating.
- When showering, keep the shower curtain inside the tub or fully close the shower door.
- After showering, wipe moisture off of shower walls, shower doors, bathtubs and bathroom floors. Leave the bathroom door open until all moisture on the mirrors and bathroom walls has dissipated. Hang towels and bath mats so they will completely dry.

Memorial Day 2019

MONDAY, MAY 27

Memorial Day 2019

On this day we honor all of our men and woman who have served in the United States Armed Forces. It is also a remembrance of the men & women who have passed away while serving in the United States Armed Forces. Memorial day started it's foundation during the end of the Civil War. General John Logan summoned a day of remembrance for the nation and May 30th, 1968 was the 1st observed Memorial Day. Today we have carried on this tradition to fall on the last Monday in May. Happy Memorial Day!
